

What Are Students Saying About School Meals?

"It's important to stay energized and focused on my learning. I have healthy options and enjoy eating with my friends. That is why I choose to eat school breakfast and lunch."

"For me, eating school lunch has had a major impact on me. Lunch is how students get most of their vitamins and nutrition for the day."

"I love eating school lunch, it's very tasty."

"It is very important to eat lunch. Also if I don't eat I am very hungry and I will get mad."

"It is important to me for eating school lunch because I cannot go to practice hungry. It is very important to eat lunch because it is hard to get through the day hungry."

"Keeps all the kids happy and we all need to eat. If we don't eat we won't have any energy for our body. What's important to me about school lunch is the cafe people put their time into making us kids food. I also love that they make the food healthy and its good for our body it also gives us energy to stay up and move around."

"Eating school lunch is great. It fills me up before electives so I'm ready to go. School lunch is always hot. The food they serve is always good."
